### Be Ready-Be Respectful-Be Responsible'

This year, each marking period, Palms staff has chosen a specific behavior to highlight with our students. The purpose of this is to connect life skills to our 'Be Ready-Be Respectful-Be Responsible' rules, to teach the importance of developing these life skills and to reward those who follow them. First marking period the focus was Be Ready-Be on time. Second marking period the focus was Be Responsible-Get your planners signed. The new focus beginning third marking period is **Be Responsible-Return your library books.** Successful students are recognized each marking period at a Palms Pride assembly. Help your child learn responsibility and a lifelong skill by focusing on this action for this marking period.

### THANK YOU!!!

Palm's students received the gift of not only craftsmanship but also safety from Mr. Dave Volkman, grandfather to several students in the building. When first grade students needed more space than their lockers provided, Mr. Volkman agreed to use his skill in woodworking to craft some holders for the hallway. Hooks were purchased from the Safe Hooks Company and he went to work. Now students can hang up their coats, snow pants or book bags on these child friendly Plexiglas hooks that hang parallel to the wall with no worry of poking an eye or banging a head. Thanks Mr. Volkman!

**Used Book Swap**

Friday, March 2<sup>nd</sup> we are having a Used Book Swap. This is a great opportunity for students to trade in used books. If 1 book is brought to trade, 1 book can be swapped. Students may bring up to 4 books to trade. You are welcome to bring more than 4 books to donate, but may not swap more than 4.

We will begin collecting books Monday, February 13<sup>th</sup>.

**OUTDOOR RECESS**

Participating in recess can be an invigorating part of school as fresh air and exercise are important. Students should wear appropriate clothing especially as the weather gets colder. When the temperature or wind chill is above zero children will go outside for recess. Please be sure your child is dressed warm enough to attend school and be able to participate in outdoor activities.

Chartwells prices this year are:

Lunch \$1.85

Super \$1.15 extra

Breakfast \$1.25

Milk \$.40

**Drive the Bus!**

Part time drivers needed. Call East China School District Transportation at 676-1100.

**Pesticide Notification**

Rose Exterminator will be applying pesticide treatments on the first Tuesday of each month. This treatment is applied **after school** in the cafeteria, kitchen and hallways as needed.
