

All Squared Away, L.L.C. is offering a three-hour ACT Preparation Workshop for high school sophomores, juniors, and seniors. The class helps students prepare to confidently take the ACT by explaining the format of the test, sharing the types of questions to expect for each section of the test, teaching both general and specific test-taking strategies, giving tips for pacing during the test, explaining the rubric for the essay portion, as well as administering and correcting mini practice tests. The best way to reduce anxiety and increase confidence is to be familiar with expectations. With the requirement of all juniors to take the ACT as part of the Michigan Merit Exam (given in March), it is even more important that students proactively prepare for this test. Students should bring a scientific calculator and a pen and pencil. A manual that includes a complete practice test will be provided for in-class and home use.

ACT Preparation Workshop
Offered by St. Clair High School
Tuesday, February 14, 2012 from 5:30 P.M. to 8:30 P.M.
Registration deadline is Thursday, 2/09/2012
